Subject: Announcement for 2026 KOICA Master's Degree Scholarship Programs - the 1st batch

The Korea International Cooperation Agency (KOICA) Viet Nam Office presents its compliments to esteemed agencies and has the honor to announce that KOICA has now opened five (5) following Master's Degree Programs for the 1st batch of the 2026 KOICA Scholarship Program. The other Master's Degree Programs and Doctoral Degree Programs will follow shortly after the selection process for operating universities and will be notified later, if any.

No.	University (Institute)	Program
1	Ewha Womans University	Master's Degree Program in Gender Equality
2	Hanyang University	Master's Degree Program in Smart-city Management and Technology
3	Korea National University of Education	Master's Degree Program in Global Education Leadership
4	Korea University	Master's Degree Program in Tax and Fiscal Policy
5	Seoul National University	Master's Degree Program in Public Management and Administrative Reform

Program Information (PI) for each course (of the 1st batch), Application Guideline and Application Checklist are available on the KOICA CIAT website:

<https://www.koica.go.kr/ciat/7815/subview.do>

Applicants must carefully read PI for the course they intend to apply, Application Guideline and Application Checklist to well prepare the applications.

Eligible applicants must hold citizenship of the Socialist Republic of Viet Nam and be government employees. In addition, each applicant must submit an official nomination letter from the applicant's affiliated organization to KOICA Viet Nam Office to bear all responsibilities related to absconding and absence without leave issues. If the applicant's affiliated organization is not a government body of the Socialist Republic of Viet Nam, the applicant bears the responsibility to prove the organization has the authority granted from the government body to nominate their employees for the scholarship. Each applicant can only apply for one course.

KOICA Viet Nam Office will contact shortlisted applicants for a screening interview. Then we will nominate the most qualified candidates from the country to move on to the next stage for a competition with nominees from other participating countries for the 2026 KOICA Scholarship Program. KOICA highly recommends that Scholarship Program participants make professional contributions to their organization **at least one year** after finishing the course.

Applicants must submit all required documents specified in Application Guideline **via email** to KOICA Viet Nam Office koicavn.ciat@gmail.com **by 12 December 2025**. Interviews will be conducted by KOICA Viet Nam Office soon after that. KOICA Viet Nam Office then submit interview results and related documents to KOICA Headquarters by early January 2026 and selected applicants will be required to submit necessary documents for admission to universities in the way that universities will provide individual guidance to respective applicants. The specific selection steps are generally mentioned in the 2026-1 KOICA Scholarship Program Application Guideline for Master's Degree Course (attached herewith) but beware that timeline may vary for each university.

Regarding this, it would be highly appreciated if you could make the Announcement for the 2026 KOICA Scholarship Program widely accessible to government employees and recommend eligible applicants.

For other inquiries, please contact Ms. Thao at 0979 886 798 or email koicavn.ciat@gmail.com.

KOICA Viet Nam Office avails itself of this opportunity to renew to the esteemed agencies the assurances of its highest consideration.

1. OVERVIEW

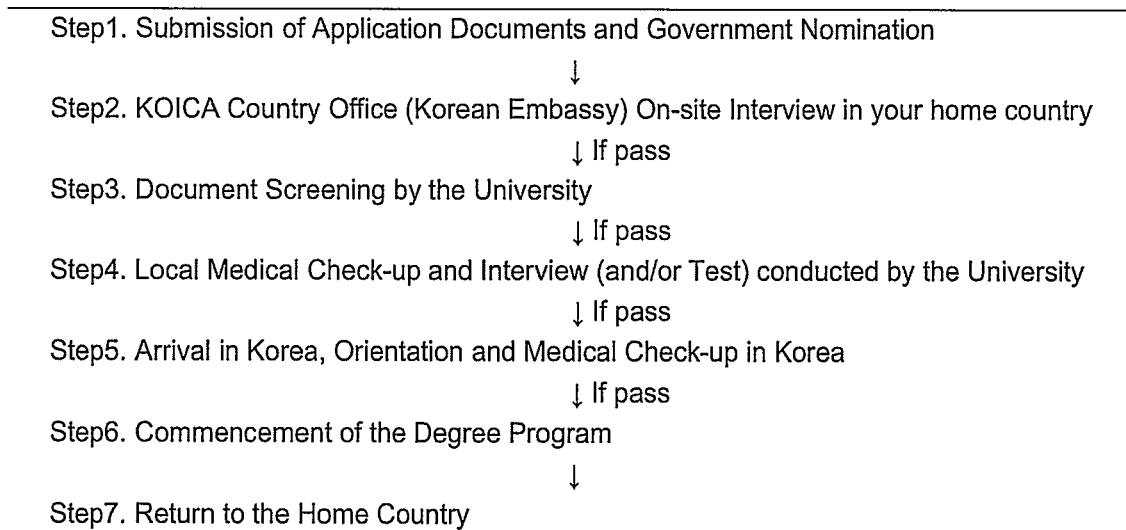

A. About KOICA

The Korea International Cooperation Agency (KOICA), established in 1991, is a governmental agency dedicated to providing Korea's grant aid programs. KOICA aims to foster friendly, cooperative relationships, and mutual exchanges with partner countries by offering support for their socioeconomic development. KOICA is involved in a diverse range of initiatives, including the Fellowship Program, Korea Volunteer Dispatching Program, Humanitarian Assistance & Disaster Relief, Public-Private Partnership, and Bilateral and Multilateral Projects, among others.

B. KOICA Fellowship Program, CIAT

Just like its acronym that sounds like "seed" in Korean, CIAT (Capacity Improvement and Advancement for Tomorrow) aims to sow seeds of hope across KOICA's partner countries. CIAT is a cooperation program that invites policy-makers, public servants, and experts from KOICA's partner countries to Korea for technical training and knowledge sharing. It has established partnerships with numerous public organizations, research institutes, universities, and other institutions in Korea to provide high-quality training programs. In particular, CIAT Scholarship Programs offer various supports to talented government officials from partner countries who wish to study and obtain a graduate degree in Korea. These efforts have resulted in a high level of satisfaction among participants. Upon returning to their home countries, CIAT participants contribute not only to their own societies but also strengthen the bilateral partnership between Korea and their respective partner countries.
