

**CURRICULUM LIST**  
**Civil Electricity Profession - Intermediate Level**

No	Textbook	Selected Textbook	Author	Year of publication <input type="checkbox"/>	Publication place	Notes
				Intermediate		
1	Electrical Drawing	Electrical Drawing – College of Industrial Electricity (High Quality Program), Trần Thị Hồng Nhung, 2023	Nguyễn Thị Thanh Hoa	x	Lao Cai College	Internal curriculum selection
2	Electrical Engineering	Electrical Engineering – College of Industrial Electricity (High Quality Program), Nguyễn Thị Bình Yên, Hà Thị Thu Hiền, 2023	Nguyễn Thị Bình Yên	x	Lao Cai College	Internal curriculum selection
3	Electrical Devices	Electrical Materials and Equipment – College of Industrial Electricity (High Quality Program), Trần Thị Hồng Nhung, 2023	Nguyễn Thị Dịu	x	Lao Cai College	Internal curriculum selection
4	Occupational Safety and Hygiene	Occupational Safety and Hygiene – College of Industrial Electricity (High Quality Program), Đặng Thị Thanh Bình, Bùi Trung Kiên, 2023	Đặng Thị Thanh Bình	x	Lao Cai College	Internal curriculum selection
5	Electrical Measurement	Electrical Measurement – College of Industrial Electricity (High Quality Program), Nguyễn Thị Thanh Tú, Hà Thị Thu Hiền, 2023	Nguyễn Thị Thanh Tú	x	Lao Cai College	Internal curriculum selection

No	Textbook	Selected Textbook	Author	Year of publication <input type="checkbox"/>	Publication place	Notes
				Intermediate		
6	Power Supply	Power Supply – College of Industrial Electricity (High Quality Program), Nguyễn Thị Bích Thủy, 2022	Nguyễn Thị Bích Thủy	x	Lao Cai College	Internal curriculum selection
7	Electrical Machines	Electrical Machines – College of Industrial Electricity (High Quality Program), Nguyễn Thị Dịu, 2023	Nguyễn Thị Dịu	x	Lao Cai College	Internal curriculum selection
8	Maintenance of Household Transformers		Trần Thị Hồng Hoa	2024	Lao Cai College	Internal circulation
9	Maintenance and Repair of Electric Motors		Nguyễn Thị Thanh Hoa	2024	Lao Cai College	Internal circulation
10	Installation, Operation, and Maintenance of Household Generators		Nguyễn Thị Thanh Hoa Lại Văn Dũng	2024	Lao Cai College	Internal circulation
11	Installation, Maintenance, and Repair of Household Electrical Appliances	Repair of Household Electrical Appliances – College of Refrigeration Engineering and Air Conditioning, Đỗ Xuân Sinh, 2023	Nguyễn Thị Dịu	x	Lao Cai College	Internal curriculum selection
12	Installation, Maintenance, and Repair of Residential Electrical Systems		Trần Thị Hồng Hoa	2024	Lao Cai College	Internal circulation
13	Installation of Residential Control and Alarm Devices		Bùi Trung Kiên	2024	Lao Cai College	Internal circulation
14	Installation of Motor Control Circuits	Installation of Industrial Control Systems – College of Industrial Electricity (High Quality Program), Đỗ Xuân Sinh, 2023	Nguyễn Thị Thanh Hoa	x	Lao Cai College	Internal curriculum selection

No	Textbook	Selected Textbook	Author	Year of publication <input type="checkbox"/>	Publication place	Notes
				Intermediate		
15	Electronic Circuit Assembly	Electronic Circuit Assembly – Intermediate Level (Refrigeration and Air Conditioning Engineering), Phạm Thị Huệ, 2024	Phạm Thị Huệ	x	Lao Cai College	Internal curriculum selection
16	Digital Control	Digital Pulse Control Circuits – College of Industrial Electricity (High Quality Program), Đinh Phương Thùy, 2023	Đinh Phương Thùy	x	Lao Cai College	Internal curriculum selection
17	Installation and Maintenance of Residential Air Conditioners	Repair of Split-type Air Conditioners – College of Refrigeration Engineering and Air Conditioning, Đỗ Xuân Sinh, 2024	Đỗ Xuân Sinh	x	Lao Cai College	Internal curriculum selection
18	Repair and Operation of Universal Electric Motors		Nguyễn Thị Thanh Hoa Lại Văn Dũng	2024	Lao Cai College	Internal circulation
