FISH HELP FRIENDS

A vibrant underwater scene featuring a variety of marine life. A green sea turtle swims in the upper left, while a yellow and purple butterfly fish is visible in the middle left. In the upper right, a green and yellow seahorse swims near a small yellow and pink striped fish. A clownfish with orange and white stripes swims towards the center. On the sandy ocean floor, a pink octopus stands on the left, and an orange octopus wearing a white party hat is the central focus. To the right, a purple jellyfish with long tentacles swims, and a small pink starfish sits on the sand. The background is filled with blue water, green seaweed, and purple coral reefs.
