A decorative rectangular frame made of green lines. On the left side, there is a large white flower with yellow petals and a yellow stem with two yellow leaves. Several small yellow leaves are scattered along the top green line. On the right side, there are two white flowers with yellow petals and one white flower with blue petals. A small white flower with yellow petals is at the bottom right corner of the frame. The background is white with green geometric shapes on the right and bottom edges.
$$1 + 2 = 3$$

A decorative rectangular frame made of green lines. On the left side, a large white flower with yellow petals and a yellow stem with two yellow leaves is positioned. Several small yellow leaves are scattered along the top green line. On the right side, there are two white flowers with yellow and blue petals. The background features abstract green geometric shapes on the right and bottom edges.
$$1 + 4 = 5$$

A decorative border made of green lines and stylized flowers. The border is rectangular with rounded corners. It features several white flowers with yellow and blue accents, and several yellow leaves. The background is white with green geometric shapes on the right side.
$$2 + 3 = 5$$

$$2 + 2 = 4$$

Chân thành cảm ơn quý thầy, cô cùng các em

Chào tạm biệt!
